Student Climate Strike
on 20 September 2019

UnionsACT has endorsed the Student Climate Strike on 20 September 2019 and encourages all working people to attend.

The September 20 Global Strike is *not* industrial action, so workers will need to make arrangements with management to take leave or flex time to attend this political protest.

Authorised A White for UnionsACT, 11 London Circuit, Canberra ACT 2601. 2019.
